disclosure of this highly sensitive information. Although the information contained in this FCC Form 602 will be manually scanned into the FCC's Universal Licensing System (ULS) database and the TIN and SSN information will therefore not be made available to the public via the ULS, CMS requests that the FCC take whatever action is necessary to ensure that the TINs and SSNs on the paper copy of the filing are not inadvertently made available to the public. CMS therefore requests that the unredacted paper copy not be placed in the station's public file.

Please date-stamp the attached copy of the Ownership Report and return the document to us via the enclosed self-addressed stamped envelope. Should you have any questions concerning this matter, please communicate directly with the undersigned.

Sincerely,
